TSP100GT - It's All In One Box

Everything & More in One Box plus LIGHTNING SPEED

The high-speed thermal POS printer available today with ALL accessories and software included.

Introducing the TSP100GT, the latest addition to the TSP100 futurePRNT family. The TSP100GT brings all the attributes of the TSP100 including all parts and software being included in one box coupled with a print speed of 45 RPM (250 mm/sec).

To get you set up quickly, we've included an internal power supply, USB and power cables, complete mounting kits and a paper roll.

To bring you the future of receipt printing now, we're also including a full set of software utilities. Redesign your receipt without modifying your application. Add your logo. Add coupons. Preview receipts and enhance bar codes. Included operating system drivers allow for 'Plug & Play' automatic installation.

So reset your expectations—to 45 RPM! Demand everything from your receipt printer and show it off! The TSP100GT comes in Ice White and Piano Black.
